

## Application for activity approval

Pursuant to section 1(1) of Act No 193 of 24 May 1972 on fireworks and other pyrotechnic articles and of Executive Order No 1424 of 16 December 2009 on fireworks and other pyrotechnic articles, an application is hereby made with regard to:

- Activity approval for importing fireworks:  
 Activity approval for manufacturing fireworks:

### Full name and address of the company/individual (business address)

Applicant:			Tel.:
Address:	No:	Town/city:	Country:

### Required documentation to be provided with this application

- The company's quality assurance system
- Documentation that the company is not subject to bankruptcy proceedings
- Documentation that the company has employees with specialist knowledge of fireworks
- Documentation that the applicant has not been found guilty of a criminal offence which constitutes an imminent danger of them misusing their profession
- Documentation that the applicant has an approval for storage of fireworks (if relevant)

### Legal basis

Section 7 of Executive Order No 1424 on fireworks and other pyrotechnic articles

Section 7. Companies or people that manufacture or import fireworks or other pyrotechnic articles must be approved by the Danish Safety Technology Authority, cf. section 1(1) of the Act.

(2) Subsection (1) does not apply to the manufacturing and importing of small fireworks and pyrotechnic articles designed for use as trigger mechanisms in safety equipment and self-inflating life-saving equipment.

(3) Approval under subsection (1) is granted and limited to the company's area of business when it covers manufacturing or importing consumer fireworks, stage fireworks, professional fireworks or other pyrotechnic articles.

### Declaration

I, the person responsible for importing/manufacturing fireworks, hereby declare that the information provided above is correct.
